1. Dechert was employed under a general retainer to represent the Debtors as bankruptcy counsel in connection with these chapter 11 cases pursuant to an order entered by this Court on November 21, 2019 [Docket No. 525] (the “**Retention Order**”). The Retention Order authorized Dechert to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses.

2. All services for which compensation is requested by Dechert were performed for or on behalf of the Debtors.

### **SUMMARY OF SERVICES RENDERED**

3. ---

<sup>2</sup> This amount reflects a reduction in fees in the amount of \$193,187.22 on account of voluntary discounts for aggregate fees as described in the *Application of Debtors for Authority to Retain and Employ Dechert LLP as Special Counsel to the Debtors Nunc Pro Tunc to the Petition Date* [Docket No. 424] (the “**Retention Application**”) and *Dechert LLP’s First Notice of Increase in Hourly Rates for Patent Services* [Docket No. 965] (the “**Notice of Increased Patent Fees**”).

expenses, expert consulting charges, telephone and telecopier toll and other charges, mail and express mail charges, special or hand delivery charges, document processing, photocopying charges, charges for mailing supplies (including, without limitation, envelopes and labels) provided by Dechert to outside copying services for use in mass mailings, travel expenses, expenses for “working meals,” computerized research, and transcription costs.

6. A complete review of the expenses incurred for the Fee Period may be found in the attachments hereto as **Exhibit B**. To the extent such itemization is insufficient to satisfy the requirements of Rule 2016-1(a) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the Southern District of New York (the “**Local Rules**”), Dechert respectfully requests that the Court waive strict compliance with such rule.

7. Costs incurred for computer assisted research are not included in Dechert’s normal hourly billing rates and, therefore, are itemized and included in Dechert’s disbursements. These are Dechert’s discounted hourly rates for compensation in this case, as reflected in the Retention Application. The Discounted value of the services rendered by Dechert for the Fee Period as counsel for the

Debtors in these cases under chapter 11 is \$807,896.28, of which \$646,317.02 is requested for fees in this Application.

10. Dechert believes that the time entries included in **Exhibit A** attached hereto and the expense breakdown set forth in **Exhibit B** attached hereto are in compliance with the requirements of Local Rule 2016-1.

11. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, the amount requested is fair and reasonable given (a) the complexity of this case, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under this title.

12. This Application covers the period of October 1, 2020 through and including October 31, 2020 with respect to the Debtors. Dechert has and will continue to perform additional necessary services for the Debtors subsequent to October 31, 2020, for which Dechert will file subsequent fee applications.

*[Remainder of page left intentionally blank]*
